Foreword

I would like to welcome you to the Northern Ireland Dexter Cattle Group's 3rd Annual Premier Sale of pedigree registered Dexter Cattle. As you can see, we have a wide variety of quality cattle on offer, and hopefully something to suit everyone.

This year we are having a pre-sale show, kindly sponsored, and judged by Howard and Deirdre Hilton- Hillhead Dexter's. This is open to both haltered and un-haltered cattle.

I would like to take this opportunity to thank our sponsors Eakin Bros Motors Ltd for kindly sponsoring the top priced animal. Their ongoing support is very much appreciated.

Finally, I would like to wish both buyers and sellers luck with their stock.

Have a great sale day.

Ryan Lavery- Chair

Conditions of Sale

1. All animals entered in the sale are pedigree and registered/ birth notified with The Dexter Cattle Society. Whilst every effort is made to ensure accuracy of information, no responsibility will be accepted by the NI Group or Society if a discrepancy occurs with the lineage.
2. Animals are sold in Guinee's (£1 and 5 pence). Purchasers should make themselves aware of this before purchasing.
3. Minimum value set at 700 Guineas for 24-month-old heifers and 1,000 Guinee's for 24-month-old bulls.
4. This is **NOT** an Export Sale. Animals purchased for export, arrangements to be made between buyer and seller. No costs or arrangements will be associated to the NI Dexter Cattle Group.
5. Animals sold as in calf will be provided with necessary service certificates. The NI Group will not be accountable in the event of a failed pregnancy.
6. Animals are sold as 'fit for breeding' unless otherwise stated. The NI Group are not accountable in the unlikely event of a fertility issue.

7. Any disputes will not be of the responsibility of the NI Dexter Cattle Group.

Guide to Dexter Pedigrees

Elite Bulls- These are bulls which passed inspection by a previous Dexter Cattle Society scheme. There were three stages, with each stage generating * after the bull's name.

Examples of bulls:

Moomin Jupiter*

Elmgrove Millenium**

No bull reached *** to date in the Dexter Cattle Society Herd Book.

Linear Assessment- This is the new version of animal assessment and can apply to both males and females. It assesses the animal against several criteria and is an independent verification used by many breeds.

- **EX** excellent 90-97
- **VG** very good 85-89
- **GP** good plus 80-84
- **G** good 75-79
- **F** fair 70-74
- **P** poor 69 and under

Highest Classification in the Dexter Cattle Society is currently EX96.

Maximum points available for females:

- 1st Calver 89 points
- 2nd Calver 90 points
- 3rd Calver 93 points
- 4th + Calver 97 points

Males and females can only be assessed at two years of age. Both tend to score higher as they get older and can be reassessed again accordingly.
